sleeping beauties to committed car enthusiasts and they will immediately know what you re talking about a world famous 1980s photo series showing an extraordinary collection of classical automobiles rusting away in a french barn neglected by their owner famous brands like bugatti lancia ferrari alfa romeo cord and aston martin laying under thick layers of dust spending their remaining days falling apart in isolation many have tried to find out what happened to these cars over the last twenty five years decayed destroyed sold but all leads fizzled out until two dutchmen and a german hung on where others had given up in true boy s own style their book tells of the three year long search for the fate of the cars from that french barn it tells the story behind the collection s origins in 1948 through the moment in 1983 when the famous photos were published up to the day in 2007 when the authors talked to the current 79 year old owner a man who finally broke his silence about the fate of his collection for the first time in 25 years publisher description ercole spada is an italian car designer he is perhaps most notable for designs made during the 1960s for the zagato design studio he designed sports cars for aston martin ferrari maserati and fiat among many others when spada started his career he was absolutely unknown to car enthusiasts or to the industry as a whole nevertheless the young designer was instantly tasked with conceptualising cars for famous companies like aston martin alfa romeo and lancia ever since then companies with a sporty identity have relied upon his creations the main reason for this being that he knows how to combine aerodynamics functional efficiency and aesthetics in one complete package this book tells his story alfa romeo is synonymous with style and performance these qualities are epitomized in forty years production of the famous alfa romeo series of spider sports cars from the giulietta spider of 1955 to the latest style launched in 1996 john tipler offers the full and fascinating story of the conception design introduction and production of these stylish automobiles popular mechanics inspires instructs and tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science pm is the ultimate guide to our high tech lifestyle when you think of alfa romeo it is the italian s company s sports cars above all that fire the imagination since they encapsulate everything that is great about the brand in successive dynasties of fixed roof coupés and convertible spiders alfa romeo has built one of the greatest canons of work of any car maker in the world the appeal of alfa romeo s sports cars is of course partly down to their aesthetic eminence a host of talented designers created their best work for alfa giorgetto giugiaro s giulia sprint gt franco scaglione s 33 stradale and pininfarina s duetto spider to name but a few but style was only ever a part of the story drivers love alfa romeo coupés and spiders too because technically speaking these cars were in a class of their own alfa romeo consistently employed elements from much more expensive machinery democratising them into its sports cars one can cite gearboxes with multiple ratios all round disc brakes lightweight aluminium engines perfectly balanced weight distribution and many more alfa romeo coupes and spider in detail since 1945 celebrates alfa romeo s most iconic sporting machinery from the earliest sports cars of its formative years right up to the present day every alfa coupé and spider is described in detail included are exotics like the 6c 2500 freccia d oro montreal and 8c competizione focused enthusiast cars like the giulietta sprint veloce giulia gta and 4c comfortable touring machines such as the 2600 spider and giulia gtc iconic everyman sports cars like the giulia spider alfetta gtv and alfasud sprint and genuinely unique projects such as the es 30 sz also included are many coachbuilt cars official concepts and show cars a r 90 year success r t owen d describes the last successes of alfa romeo in grand prix racing after world war ii also remembered are the company s abortive return to formula 1 as an engine manufacturer and its success in touring car championships there is something special about alfa romeo cars which can t be defined precisely but is perhaps best described as a vitality that creates a symbiosis between driver and machine a oneness that no other marque seems to replicate alfa s berlinas have always tended to be overshadowed by their spotlight grabbing coupé and spider siblings but enthusiasts with family car needs have always known that any saloon sedan with the famous alfa romeo badge would deliver pure driving pleasure in equal measure here is the full story of alfa s quirky but characterful berlinas from their beginnings in the early 1900s through to the start of a new millennium not only does the book describe and picture every model it also contains
