GOD'S VISION, my vision 2013-12 the life of sadhu sundar singh was most remarkable in its christ likeness he was born amidst the depths of indian culture and religion and into a sikh family during the early part of his life sundar s mother would take him week by week to sit at the feet of a sadhu an ascetic holy man who lived some distance away in the rainforest but with the death of his beloved mother when he was only fourteen years old the young sundar grew increasingly despairing and aggressive his

hatred of the local missionaries and christians culminated in the public burning of a bible which he tore apart page by page and threw into the flames yet before long sundar was intent on taking his own life sundar had arrived at a point of desperation he had decided to throw himself under the ludhiana express if god did not reveal to him the true way of peace at three in the morning he rose from his bed and went out into the moonlit courtyard for the ceremonial bath observed by devout hindus and sikhs before worship he then returned to his room and knelt down bowed his head to the ground and pleaded that god would reveal himself yet nothing happened he had not known what to expect a voice a vision and a trance still nothing happened and it was fast approaching the time for the lothian express he lifted his head and opened his eyes and was rather surprised to see a faint cloud of light in the room it was too early for the dawn he opened the door and peered out to the courtyard darkness turning back into the room he saw that the light in the room was getting brighter to his sheer amazement he saw not the face of any of his traditional gods but of jesus the christ from here on the life of sundar singh became most christ like being unwilling to denounce his master it was not long before his family had rejected him sundar took the saffron robes of the sadhu and began a life of spreading the simple message of love and peace and rebirth through jesus he carried no money or other possessions only a new testament he traveled india and tibet as well as the rest of the world with the message that the modern interpretation of jesus was sadly watered down he visited the west twice traveling to britain the united states and australia in 1920 and europe again in 1922 with the large number of spiritual paths and techniques facing the world of today it is of special value to consider the life and insights of one who truly embraced the simplicity love and freedom offered through devotion to christ i am not worthy to follow in the steps of my lord he said but like him i want no home no possessions like him i will belong to the road sharing the suffering of my people eating with those who will give me shelter and telling all people of the love of god the visions life death man can never be destroyed what happens at death the world of spirits sons of

End Time Dreams & Visions 2014-11-24 for centuries controversy has raged over the authorship and genuineness of the book of daniel is it an authentic document from the sixth century before the common era with a message from god to postexilic israel or is it a forged document written centuries later to encourage israelites being oppressed by the seleucid king antiochus epiphanes robert johns addresses these issues and more in his thesis on daniel s visions importantly johns establishes when daniel was provided with his visions and he defines why god provided daniel with the visions the visions of daniel the hebrew prophet examines the metal image the beast with eleven horns the seventy sevens chapter eight s little horn and the 2 300 evening mornings it demonstrates that the enigmatic 1 290 days and 1 335 days are anything but enigmatic and it identifies the reason why daniel s fifth and final revelation is so detailed appendices address issues of general nature such as the historicity of jesus the christ the popularity of dispensationalism the identity of the abomination that desolates and the integrity of novels representing the christian fiction genre which focus on a seven year tribulation period at the end of history this book will be of value to every christian who has an interest in bible prophecy and eschatology
